- In the event that the Department President initiating the disciplinary action is the accuser, the National President will issue the order.

Only members of the Veterans of Foreign Wars of the United States Auxiliary in good standing may sit on a Disciplinary Hearing Panel. No blood relative of the accused or any accuser or witness for the prosecution shall be appointed to the panel.

The same panel may be appointed to hear more than one (1) case. Related cases may be heard at the same time, provided that the Recording Officer maintains a complete and separate record for each accused. a. President. (Specified in Form DA-6) Is the presiding officer over the panel and not subject to challenge. They shall be acquainted with the hearing procedures, maintain order and give the necessary directions for the conduct of the proceedings.

- d.** The written statement that the Charges and Specifications have been personally served, mailed, or

e-mailed to the accused in accordance with the Procedure for Disciplinary Action.

e. The request for Disciplinary Hearing made by the accused. (Form DA-5)

f. The order appointing the Panel. (Form DA-6)

g. The tape recording or videotape of the proceedings.

h. The President's notes of the proceedings.

j. The findings and sentence. (Form DA-7)

k. The form of record of disciplinary action. (Form DA-8)

The record shall be provided to the accused for purposes of appeal and delivered to and maintained by the Auxiliary, Department and National Secretary.

(i) Procedure at Hearing. In the event that a Disciplinary Hearing is requested, the procedure for conducting such hearing shall be as follows:

1. Selection of the Panel – Challenges. The entire panel shall initially be seated.

Each side may challenge any member or members, but those members may be removed only for good cause. Good cause includes, but is not limited to, prejudice for or against a party, financial or other interest in the outcome or inability to afford an impartial hearing. The challenging party shall state the reasons upon which that party believes good cause exists. When a member of the panel is challenged for cause, the President of the panel will decide on the question. No further panel member may be excused for cause when the effect is to reduce the number of panel members below three (3).

Members of the panel shall swear or affirm that they will judge the case fairly and impartially. The panel should protect every witness from insulting or improper questions, harsh or insulting treatment and unnecessary inquiries into private affairs. It should also forbid any inquiries into irrelevant matters intended to merely annoy witnesses or other pertinent parties.

2. Plea to the Charges. After the panel is confirmed, the Charges and Specifications shall be read to the accused by the President unless the accused advises the panel that they have read the charges and they need not be read. The accused shall be required to plead guilty or not guilty to each charge and specification separately. The plea will be recorded on the Form of Record of Disciplinary Action (DA-8).

3. Objections. If there have been procedural errors in initiating the disciplinary action, preparing and delivering the Charges and Specifications, appointing the panel, scheduling the time and place of the hearing or any other matter occurring prior

to the hearing, Defense Counsel or the accused must make their objections known to the panel before the opening statements are given and evidence heard. Similarly, objections must be made to errors in procedure or in the admission of evidence occurring during the course of the hearing at the time of the error. Unless objections are timely made, the alleged error will not be considered in the event of an appeal.

4. Opening Statement. The Prosecutor, followed by the Defense Counsel, shall be permitted to make opening statements which outline for the panel what each believes the issues to be and what each expects to show by the evidence to be introduced.

5. Order of Presentation. The prosecutor introduces evidence first. When the prosecution rests, the defense may introduce its evidence. The prosecutor may then present evidence to rebut such evidence as may have been presented by the defense and the defense shall be given an opportunity to rebut any rebuttal evidence presented by the prosecution. Counsel for both sides shall have the opportunity to cross-examine each witness after direct testimony is given.

6. Rules Concerning Evidence. Evidence may be testimonial or documentary. Testimonial evidence is evidence given in the form of testimony by witnesses. All testimony shall be taken under oath or affirmation by all parties testifying.

7. Documentary Evidence. Includes items other than documents, and is presented in the form of exhibits which show or demonstrate factual matters. An adequate showing of authenticity (i.e., that the document is an original or a true and correct copy of the original) must be made with respect to documentary evidence. A Disciplinary Hearing Panel may base its decision on either direct or circumstantial evidence. Direct evidence consists of testimony or documents which, if believed, would directly prove or disprove facts.

Circumstantial evidence consists of testimony or documents which, if true, would prove or disprove facts or circumstances from which, either alone or in connection with other facts, the existence or nonexistence of a fact in issue could be inferred.

Hearsay evidence consists of testimony based upon the out-of-court statements of persons or documents, i.e., what some other person told the witness or upon something seen by the witness in a document that is not presented. The reason that hearsay testimony is given less credence is that there may be no opportunity to cross-examine the person who actually heard or saw the incident or wrote the document. While hearsay evidence can be considered by the Disciplinary Hearing Panel because of a belief that a sufficiently trustworthy basis exists for considering the evidence,

it should be considered with an appreciation that the evidence is less credible. Hearsay evidence may be fully considered without that limitation if the witness is testifying concerning something the accused has said or the evidence consists of reinforcing documents or letters prepared or signed by the accused.

Books of account or business records are generally admissible. Evidence must be relevant and material. Evidence is not relevant or material when it does not tend to prove or disprove an issue in the case or the President rules that it's not material to the issue at hand.

The panel will exclude improper evidence to which an objection is sufficiently made. It may, on its own initiative, exclude other improper evidence. Excluded evidence should not be considered by the Hearing Panel. The President should note any evidence which was offered but excluded, giving the reason therefore, and any instances where objection was made but the evidence was admitted over such objection, noting the objection.

8. Closing Arguments. After both sides have rested, the prosecution commences its closing arguments. The defense follows and the prosecution closes with rebuttal argument.

9. Deliberations of the Panel. The panel sits in closed session during the deliberation on the findings and sentence. This should include full and free discussion of the evidence at hand. The panel must consider each charge and specification separately and make a determination whether the accused is guilty or not guilty on each charge and specification.

In deciding the case, the sentence should be commensurate with the offense committed. In any event, each case shall be decided on its own merits and the panel shall give due regard to all of the circumstances.

a. Reasonable doubt. In order to convict the accused of an offense, the panel must be reasonably satisfied that the accused is guilty of the offense.

b. Two-thirds Majority Required. There must be a two-thirds (2/3) majority vote in order to convict on any charge and specification. If, in computing the number of votes required, a fraction results, such fraction will be counted as one (1); thus, where five (5) members are to vote, the requirement that two-thirds (2/3) concur is not met if less than four (4) concur. The sentence must likewise be determined by a two-thirds (2/3) majority vote.

10. Findings and Sentence (DA-7). The findings and sentence shall be announced by the President in open hearing after deliberations are complete. In the event the accused or

their counsel was not present at the hearing but the accused has been found either guilty or not guilty, a copy of the Findings and Sentence (Form DA-7) shall be mailed to the last known address within seven (7) days after the hearing.

11. Record of Hearing of Disciplinary Actions (DA-8).

In addition to the notes to be maintained by the President of the panel, the president shall also prepare a Form of Record of Disciplinary Actions (Form DA-8).

Part 4—How to Handle an Appeal

Any member on which Disciplinary Action is taken under this Article shall have the right to appeal such action.

(a) Appeals From Auxiliary Actions. Appeals to the Department President shall be made within thirty (30) days of the imposition of penalties by a Disciplinary Hearing Panel or, in the case when no hearing is requested, the imposition of penalties by the Initiating Officer or Auxiliary.

All appeals shall be made in writing and be mailed by registered or certified mail, return receipt requested, to the Department President at the Department Headquarters.

The written appeal shall:

1. State the facts of the case based on the evidence introduced at the hearing (if a hearing has been held).
2. Make a clear and concise statement of the reason or reasons upon which the member claims the case was erroneously decided.
3. State the relief requested by the member. Failure of the member to address any one of the aforementioned requirements in their appeal are grounds for denying the appeal.

Upon receipt of a proper written appeal, the Department President shall request that the Department Secretary maintaining the Trial Record forward the same to them within thirty (30) days. The Department President will also provide a copy of the written appeal to the prosecutor, who shall have thirty (30) days from the receipt of the copy to make a written response directly to the Department President. The prosecutor will also mail a copy of their written response to the accused. The accused or their counsel shall then have fifteen (15) days from the date of such response to make a further written submission to the Department President. Once accomplished, the Department President shall decide the appeal and inform the accused and the Auxiliary President in writing as to their determination. The decision of the Department President is final unless within thirty (30) days an appeal is made to the National President. Such an appeal must be made in writing and

mailed by registered or certified mail, return receipt requested, to the National President at National Headquarters in Kansas City. The appeal must include the three (3) criteria listed above.

Upon receipt of a properly written appeal, the National President shall request that the Department President forward to them the Trial Record, together with any papers submitted by the parties on appeal. The National President will, within thirty (30) days, decide the matter and inform the member, the pertinent Auxiliary President and the Department President of that decision. The decision of the National President is final unless an appeal is made to the National Council of Administration within thirty (30) days of the National President's decision. Such appeal shall be in writing and shall be mailed by registered or certified mail, return receipt requested, to the Chairman of the Committee on Appeals of the National Council of Administration at National Headquarters in Kansas City. The appeal must include the three (3) criteria listed above.

Upon receipt of a properly written appeal, the Chairman of the Committee on Appeals shall request the National President forward the Trial Record and any papers submitted by the parties on appeal. The Chairman shall advise the committee members of a time and place that the matter will be considered and decided. The member shall have the right to appear, at their own expense, personally or by counsel, at such time and place as the matter is considered. Upon a recommendation by the Committee on Appeals, The National Council of Administration shall decide the appeal and subsequently inform all concerned of its decision in writing.

(b) Appeals From Department President Actions.

Appeals from disciplinary actions initiated by the Department President shall be to the National President. Such an appeal must be made within thirty (30) days of the imposition of sentence by the Disciplinary Hearing Panel or, where no Disciplinary Hearing is requested, the imposition of penalty. All appeals will be made in writing and shall be mailed by registered or certified mail, return receipt requested, to the National President at National Headquarters in Kansas City. The appeal must include the three (3) criteria listed at the top of page 120.

Upon receipt of a properly written appeal, the National President shall request that the Secretary maintaining the Trial Record forward the same to them within thirty (30) days. The National President will provide a copy of the written appeal to the prosecutor, who shall have thirty (30) days from the receipt of the copy to make a written response directly to the National

President. (A copy will be mailed to the accused and their counsel.) They shall have fifteen (15) days to submit a reply. Thereafter, the National President shall decide the appeal and inform the accused and the Department President. The decision of the National President is final unless an appeal is made to the National Council of Administration within thirty (30) days. Such appeal shall be made in the manner specified in the foregoing subsection (a) for appeals to the National Council of Administration for cases initially appealed to the Department President.

(c) Appeals From National President Actions. Appeals from disciplinary actions initiated by the National President shall be to the National Council of Administration.

Such an appeal must be made within thirty (30) days of the imposition of sentence by the Disciplinary Hearing Panel or, where no hearing is requested, the imposition of sentence by the Initiating Officer. All appeals shall be in writing and mailed by registered or certified mail, return receipt requested, to the Chairman of the Committee on Appeals of the National Council of Administration at National Headquarters in Kansas City. The appeal must include the three (3) criteria listed in Section above.

Upon receipt of a properly written appeal, the Chairman of the Committee on Appeals of the National Council of Administration shall request that the Secretary maintaining the Trial Record forward the same to the National Secretary within fifteen (15) days.

The Council will provide a copy of the written appeal to the prosecutor who may, within fifteen (15) days, submit a written response directed to the National Council of Administration. If a response is submitted, it shall be mailed to the accused and Defense Counsel, who may file a response thereto within ten (10) days.

The National Council of Administration shall advise the member of a time and place that the matter will be considered and decided. The National Council of Administration shall determine the manner in which the matter will be considered. The member shall have the right to appear, at their own expense, personally or by counsel, at such time and place where the matter is considered.

Upon recommendation by the Committee on Appeals, the National Council of Administration will decide the appeal and subsequently will inform the accused in writing of its decision. That decision is final unless an appeal is filed within thirty (30) days to the National Convention.

(d) Timeliness of Appeals to the National Council of Administration: Normally, appeals received greater than thirty (30) days before the next scheduled regular meeting will be heard at that meeting. Appeals not within this timeframe may, at the discretion of the National President, be referred to the council for deliberation at a future scheduled meeting.

Suspension from Office

To effect a suspension under Section 1005 of the Bylaws, the National President, or the Department President having jurisdiction, will inform the member in writing and notify the respective Auxiliary, or Department President of such action.

The National President or Department President is not required, however, to suspend the accused member in every instance. They may use their discretion in determining whether or not such suspension is necessary or appropriate.

Prima Facie Case

The term “prima facie” is a legal term used to describe something that is legally sufficient to establish a fact or a case unless disproved. If an accused member has been convicted by a court of law of a felony, misdemeanor or even an ordinance violation, and will not be available for, a disciplinary action, the disciplinary action may still be initiated and conducted in the same manner as any other. Under this Section of a Prima Facie case, it would not be necessary for the prosecutor to prove again what the civil authorities have already established in the criminal trial. To establish guilt at this disciplinary hearing, all the prosecutor needs to do is present a certified copy of the court record of conviction. The burden then shifts to the accused or their counsel to show that the record of conviction is not a true and correct record.

This means that you have as many choices as there are Delegates and Alternates to be elected, and not that you can vote for only one (1) of the nominees. For example: If your Auxiliary is entitled to seven (7) Delegates and seven (7) Alternates and if you abide by the above-mentioned section, there may be any number of members nominated, from fourteen (14) up. In your written ballot you have seven (7) choices out of the entire number nominated. The seven (7) receiving the highest number of votes are declared Delegates and the next seven (7) highest are declared the Alternates.

We do not vote by preference or first, second and third choices.

4. The Installing Officer, when giving the Officers' Obligation, should also raise their right hand during the obligation.

Election of Officers

1. President announces that the next business in order will be the election of Officers and that while such election of Officers is in progress, no member may enter or leave the room during the election of any **one** Officer except for valid reasons; in which case, they shall not be permitted to re-enter the room until that **one** Officer is elected. Also, after members have voted and the vote is declared closed, a member who has not voted is not permitted to vote.
2. A committee of one (1) Judge and two (2) Tellers is appointed by the President before nominations are opened and the result of the election shall be announced by the Judge. The Judge and Tellers must be members of the Auxiliary, District or Department that is conducting the election. The Judge and Tellers may nominate and vote, but they should not be a candidate for a contested office.
3. Nominations for Officers in National, Department, District, and local Auxiliary may always be made from the floor, or the President's station. Nominations do not have to be seconded.
4. A Presiding Officer shall announce before opening the

nominations: “If there are no objections, the Chair will close the nominations after calling for further nominations three (3) times, following the last nomination for that office.” At a National, Department or District Convention in case of a two (2) day meeting where nominations are held open, nominations could be asked for twice on the first day and only once on the second day, provided another name is not nominated on day two (2). You must call for nominations three (3) times after the last name is nominated.

5. The written ballots may be deposited by each member in a ballot box provided therefore on the Teller’s table, or may be collected by the Conductor/Conductress by passing the ballot box to each member. After all ballots have been collected, the ballot box shall be placed by the Conductor/Conductress upon the Teller’s table. After all members have cast their ballot, the President shall declare the ballot closed and then the Judge and Tellers shall proceed to count the ballots.
6. The Judge announces the report of Tellers and the President declares the results of the election.
7. All members in good standing are entitled to vote. No member can be compelled to vote.
 - The President can cast the tie-breaking vote provided the President has not already voted. If the President's vote caused the tie, then the assembly needs to keep voting per Robert's Rules of Order in order to elect that Officer.
 - Per Sec 805 Voting, Auxiliaries vote by written ballot if more than one (1) candidate. On District level, you can vote by roll call or written ballot. If there is a tie, you should vote by written ballot if you have not already done so, as this may break the tie.
 - If after three (3) times, and you still cannot elect, you may by majority vote decide how to break the tie, i.e. flipping a coin, short straw, etc. The Judge should flip the coin or hold the straws or you would continue voting until a winner is declared.
 - **NOTE:** All ballots must be destroyed after the elections are completed.
 - **NOTE:** If voting on a motion and there is a tie, the motion is defeated.

8. The Judge should announce the number of members in room entitled to vote, the number of votes cast, and the number of members not voting.
9. On a roll call vote, the Chairman of the Credentials Committee calls the roll of registered Delegates, giving delegate strength. they announce the close of the roll call.

Election Procedure, Two (2) or More Candidates

Should there be three (3) or more candidates and one (1) or more candidate drops out before the election is concluded, the voting ceases. Then the ballots are cleared and a new balloting begins with the remaining candidates.

Judge: As a courtesy to our candidates, please refrain from applause when the results are announced. You may applaud remarks made by all candidates after they address the delegation.

In the case of ballots cast for two (2) or more candidates, the following is the accepted procedure:

Judge: We find _____ votes for candidate "A", _____ votes for candidate "B", votes for candidate "C", etc.

(During the voting procedure where there are only two candidates for whom ballots are being cast, if one (1) of the candidates withdraws before the roll call vote is completed, the Judge will announce that the remaining candidate is the winning candidate and has been elected by a majority vote.)

By your majority vote, you have elected candidate _____.

President: Brother/Sister, do you accept this election?

Officer-elect: I do, and (words of gratitude and pledge of service.)

President: I herewith declare Brother/Sister _____ duly elected as _____ for the ensuing year.

One (1) rap.

President: Brother/Sister _____, do you accept this office?

Officer-elect: I do. (Words of gratitude and pledge of service may be given here by the Officer-elect, but should be very short.)

3. If the concern warrants it, the Department President may address it to the National President for ***their*** consideration.
4. It is the practice of National Headquarters that a Department President have the first opportunity to assist Auxiliaries and members of ***their*** Department. Therefore, any correspondence received from an individual, Auxiliary or District will be referred to the Department President so that ***they*** have the first opportunity to assist or fulfill a request.

RECORD RETENTION GUIDE

The following guidelines have been developed in response to requests from Auxiliaries and Departments as to how long to retain certain files and records. This list includes some records to be retained by all businesses including Auxiliaries, and some records that relate only to our organization.

For federal tax purposes, the general statute of limitations is three years after the return due date, including extensions; however, there are situations in which the statute of limitations will be extended to six years or even indefinitely. In addition to federal laws, each state also has its own laws regarding record-keeping requirements. If you have limited storage space, you might consider scanning some documents to a CD and storing the originals off-site.

<u>Record Name</u>	<u>Minimum Suggested Retention Period</u>
Accounts payable invoices	6 years
Accounts payable ledger	6 years
Accounts receivable ledger	6 years
Audit reports	6 years
Bank deposit slips	6 years
Bank statements and reconciliations	6 years
Bonds (i.e. Treasurer's Bond Receipt)	3 years after expiration of policy
Budgets	6 years
Bylaws	6 years
Cancelled checks	6 years
Cash receipt records	6 years
Charter	Permanent
Contracts	6 years after the termination or completion of contract
Correspondence, general	1 year
Depreciation schedules	The later of 6 years of the asset being fully depreciated or disposal of the asset
Detailed fixed asset records	The later of 6 years of the asset being fully depreciated or disposal of the asset
Disbanded Auxiliary Records	7 years
Disciplinary Action file	1 year from completion
Election of Officer reports	6 years
Employee records	6 years after the employment relationship has ended or 30 years if lawsuit or injury

Expense vouchers	6 years
Financial reports	6 years

Insurance records, general	3 years after expiration of policy
Inventory records	The later of 6 years after inventory has been used or written off
Lease records	6 years after termination of lease
Membership Applications, Annual and Life	*Until the member has been deceased for 6 years or has reached 120 years of age
Membership Dues Record Cards	*6 years
Membership Listings	*6 years
Minutes of Auxiliary Meetings	*6 years
Payroll register	**6 years
Petty cash records	6 years
Program chairman annual reports	1 year
Standing Rules	6 years
Tax records	7 years
Treasurer reports, monthly	***6 years

*Membership applications should be retained as a permanent record to aid in establishing length of membership, original eligibility, and other items of historical value. Membership listings may be destroyed after six (6) years ONLY if ALL membership applications are permanently retained.

**In some instances, it may be advisable to retain the minutes of Auxiliary meetings permanently when those minutes contain policy decisions. Normally, however, those policy decisions would have been incorporated into the Auxiliary Standing Rules, and the minutes would only be of minor historical significance.

***Monthly Treasurer reports usually prove to be “dead files” once the quarterly and annual audit reports are completed. However, it is recommended that they be retained for a period of six (6) years, should a detailed reconstruction of the Auxiliary’s financial situation be required by an auditor or the IRS.

Obviously, the foregoing list is not all-encompassing, nor is it intended to be. A good rule of thumb in determining what files and records to keep is that if the file or record has no financial or historical significance, then it is probably time to dispose of it.

Auxiliary Treasurer, Duties of

1. Under receipts, the Treasurer will report the amount of dues received from each member since the previous meeting. Any discrepancies will be checked immediately. Following the meeting, the Treasurer will enter the dues in the Treasurer's bound ledger, cashbook or in a computerized system.
2. At each Auxiliary meeting, the Treasurer shall make a report following the Reading of the Minutes, which shall contain:
 - a. Balance on hand at last report.
 - b. Amount received from all sources since last report.
 - c. Amount expended since last report.
 - d. Balance on hand.
3. Outstanding checks should be reviewed yearly to see if any check should be voided.

Treasurer's report must show all receipts and disbursements in detail, including name of person or firm to whom check is issued and stating for what purpose.

Department Treasurer, Duties of

The Department Treasurer will maintain a file of audits received from each Auxiliary and District. The Department Treasurer shall review all audits of Auxiliaries and Districts for accuracy and correctness. If an error is found, the Treasurer shall return the audit to the Auxiliary or District to be completed correctly. When the audit is corrected, it shall again be forwarded to the Department Treasurer.

The Department Treasurer shall also review the audit for any other discrepancies which might occur. If the Department Treasurer finds continuous mistakes, inconsistencies, or a serious error, they shall notify the Department President, who will determine what action, if any, is needed at that time.

Following is a recommended format for a Treasurer's Report.

Veterans Affairs Voluntary Service Program (VAVS)

Veterans of Foreign Wars of the United States Auxiliary is one of the member organizations of this committee and is represented by the National VAVS Representative and Deputy Representative(s) appointed by the National President.
2. The VAVS Advisory Committee for each local VA Hospital is composed of one (1) local representative and one (1) or more (not to exceed three (3)) deputy representatives from each of the member organizations.  - The National Headquarters Office of the Auxiliary shall send official certification to: VA Facility Director, Attn: Voluntary Service Program Manager.
3. An Associate VAVS Representative may be appointed where Auxiliary members from a neighboring state participate in the VAVS Program. The Department President of the neighboring state appoints one (1) Associate Representative to assist by developing and coordinating the Auxiliary part of the program in their state. Associate Representatives are certified in the same manner as a Representative and serves on the VAVS Committee except for voting privileges, which may be delegated in absence of the Representative. The Associate Representative must work through the VAVS Representative at the VA Hospital in which they serve.
4. An Honorary VAVS Representative is an individual who

Guests and Visitors at a Meeting, Clarification Of

There are several opportunities to have guests at a meeting.

1. Potential Members

- *You can invite potential members to a meeting so they can experience a meeting to see if they would like to join. This should be a one time only invitation. (Page 5 in the Ritual under Members' Instructions addresses this.)*

2. VFW

- *You can invite your Commander to a meeting. This should be one time a year, not monthly. You can invite them back if there is something special they would like to share. They can come either before your meeting or after presentation of bills* or even just for the Good of the Order.*

3. Other Guests

- *You can invite guests to a meeting to present them with an award, like the Voice of Democracy students or a local business owner.*

****The Ritual states: Introduction of Guests - D (Any non-Auxiliary member guests shall not be allowed to enter the room until the Treasurer's Report and Presentation of Bills has concluded.)***

There are several opportunities to have visitors at a meeting.

1. Potential Visitors - Bylaws - Section 112

- *An Official Representative of your Department (Escorted Guests, #2 Order of Business).*
- *An Official Representative of your Department (Not Escorted Guests, #8 Order of Business).*
- *An Auxiliary member passing through the area of your meeting at the time of your meeting.*
- *Members-at-Large*
- *Candidates for District, Department and/or National Offices.*
- *See Section 909 - Children and Caregivers.*

We show our dues cards for a reason. We are a member-based organization. Only members should be allowed in our meeting with very few exceptions. Open meetings are allowed for Installation of Officers and/or Program Presentations. No motions or voting should occur at an open meeting. If you are joining a meeting via electronic means, all efforts should be put forth to not include any non-members within earshot.

To Help Clarify the Official Look

1. Section 1001 explains the Official Look

- *The look may be worn open over any color top or a black dress. The look may be worn tucked in.*
- *You may wear it with a jacket or sweater, preferably black.*
- *The collar pins should be worn flat on the collar, not on an*

angle. VFW over the heart.

- The official membership pin should be worn on the left, above the emblem.
- The name tag should be worn on the side without the emblem.
- If you wear an American Flag pin, it should be highest on the shirt (not including collar pins), over your heart.
- Caps are optional. Caps may be worn with pins attached.
- Caps are to be removed for prayers, if the Chaplain removes their cap or is not wearing one.
- When removing the cap, place the cap over the heart with the emblem facing out, fingers just inside the cap.

INSTRUCTIONS PRIOR TO OPENING THE NOMINATIONS

President: The next business in order will be the election of Officers and while such election of Officers is in progress, no member may enter or leave the room during the election of any one Officer except for valid reasons; in which case, they shall not be permitted to re-enter the room until that one Officer is elected. Also, after members have voted and the ballot is declared closed, a member who has not voted is not permitted to vote.

All members in good standing are entitled to vote. No member can be compelled to vote.

Nominations may be made from the floor or the President's station. Nominations do not have to be seconded.

If there are no objections, the Chair will close the nominations after calling for further nominations three (3) times, following the last nomination for that office.

It is most important that any discrepancies/errors, etc. in the election of any one Officer be immediately brought to the attention of the Credentials Chairman and before the election of the next Officer so that discrepancies/errors may be rectified

at that point in time rather than waiting until the convention has closed to contest an election. Once the convention is closed and the Bylaws have been followed, the outcome of an election cannot be refuted. (See Robert's Rules of Order, Newly Revised.)

President: In the event we may have two (2) or more candidates for any one office, I appoint _____ as Judge and _____ as Tellers.

The Judge shall announce the number of members in the room entitled to vote, the number of votes cast, and the number of members not voting, and will give the majority vote at the conclusion of the counting.

President: Nominations are now open for the office of _____. *(Someone nominates the candidate.)*

President: While such election of Officers is in progress, no member may enter or leave the room during the election of any one Officer except for valid reasons; in which case, they shall not be permitted to re-enter the room until that one (1) Officer is elected. Also, after members have voted and the ballot declared closed, a member who has not voted is not permitted to vote.

It is most important that any discrepancies/errors, etc. in the election of any one Officer be immediately brought to the attention of the Credentials Chairman and before the election of the next Officer so that discrepancies/errors may be rectified at that point in time rather than waiting until the convention has closed to contest an election. Once the convention is closed and the Bylaws have been followed, the outcome of an election cannot be refuted. (*See Robert's Rules of Order, Newly Revised.*)

I have appointed _____ as Judge and _____ and _____ as Tellers.

In accordance with Section 805, Voting, "In the President's absence, the Senior Vice-President, or in their absence, the Junior Vice-President, shall be vested and directed to cast the entire voting strength subject to the will of the delegation present at the convention. (Any of the three (3) may cast the President's vote.) If all are absent, the vote shall be taken by roll call of the Auxiliaries within the Department and, the President's vote is lost."

After the District/Auxiliary President has a report from the Credentials Chairman and has polled the Delegates/Auxiliaries present (if voting by Districts), the District President/Auxiliary (*see above*) gives the number of votes for each candidate (which shall add up to the delegate strength given by the Credentials Chairman.)

The Credentials Chairman repeats the numbers given for the Judge and Tellers.

The Credentials Chairman will conduct a roll call vote. *(Suggested order of voting is by Districts or Auxiliaries, followed by those with individual vote, and finally by Department Officers in reverse order-meaning the Department President is the last name called provided they are voting as the Department President and not as a Delegate.)*

Each member is expected to respond to any call for relief or assistance of any member of the Auxiliary or any member of the Post who may be in need. We also endeavor to educate in patriotism, the people of our land. You are to be received into this Auxiliary with equal rights of all other members and you are expected to assume equal responsibilities. Understanding this much of the purpose of our organization, are you ready to take the obligation?

Candidate: I am.

President: I now commend you to the care of the Chaplain who will administer to you the obligation of our organization. Color Bearers, Altar position.

The Color Bearers assume Altar position at the command of the President (the same as for opening prayer) and remain in this position during the obligation and prayer.

The Chaplain advances directly from their station to a position in front of the Altar facing the candidate(s) to administer the obligation. They shall raise their right hand also while giving the obligation. The President may ask the members to join in with the candidate(s) in taking the obligation.

Chaplain: You will raise your right hand, using your name where I use mine and repeat after me:

MEMBER OBLIGATION

Candidate: **In the presence of Almighty God— and the members of this organization here assembled— I, _____, do of my own free will and accord—, solemnly promise—that I will never wrong or defraud this organization— nor a member thereof— nor permit either to be wronged— if in my power to prevent it.**

I further state that I believe in God. I will be faithful to the United States of America—obedient to the laws— and loyal to the Flag.

Should my membership with this organization cease in any way— I will consider this obligation—as binding outside of the organization— as though I had remained a member— I do so promise.

President: **Parade Rest!**

Chaplain: **Dear God, we ask Thy blessing upon these Brothers and Sisters, who have now become members. May our ties foster among us an enduring friendship and loyalty, and grant that henceforth they may be spared for a useful life to the honor and glory of Thy Holy Name. Amen.**

To care for the members in distress and for those who depend upon them is part of the work of this organization—and when death shall lay his hand on any Post or Auxiliary member, it is our duty to see that he or she is buried in the proper manner and with the honor due them.

The Junior Vice-President returns to their station, making a right face at the Altar.

Conductor/Conductress: **Mister/Madam President, I present this candidate (or these candidates) for your final instructions.**

President: **In succession, the Senior and Junior Vice-Presidents have spoken to you of the work in which you are about to engage. We hope that its impression will remain with you throughout life, adding another link to the golden but invisible chain, which unites us. We sincerely trust that your association with us will strengthen you for the duties of life. We wish to stress the importance of the obligation you have taken.**

Our organization is founded on patriotism and loyalty. Loyalty to each other will promote loyalty to the work in which we are engaged. We are united, not for self-seeking, but to maintain true allegiance by upholding the principles upon which our organization was founded.

Upon reaching the Altar, they step to the right, handing Conductor/Conductress the Bylaws and pins, then steps back to the center of the Altar, facing candidate(s) to explain our emblem. The Conductor/Conductress hands each candidate a copy of the Bylaws and a pin.

President: **We explain to you this emblem of our organization, which may be worn by you as long as you remain a member in good standing. May its ground of gold symbolize to you Strength; its lines of white, Purity; its circle of blue, Truth and its cross, Faith. May you be filled with the Spirit of Loyalty, keeping you ever loyal to your God and to the United States of America.**

This concludes your instructions and I extend my best wishes for your future in this organization.

The District President is a Department Officer and a member of the Department Council of Administration.

By the very diversity of the two bodies over which they preside, there can be no question of rank. **The County Council President would represent the Council in community affairs, which occur within the province of the County over which they preside, and the District President would represent the Auxiliaries of their District at VFW activities and as a part of the Department Council of Administration.**

Response: They do.

Officer: The Chaplain will offer the prayer.

Chaplain: Dear God, we beseech Thy presence and blessings upon this District. Hear our prayer and accept the pledge these Brothers and Sisters have taken. May our ties foster among us an enduring friendship and loyalty and grant that henceforth they may be spared for a useful life and enable them to honor all Brothers, Sisters and Comrades in Thy Holy Name. Amen.

Officer: Having complied with all that our rules and regulations require, it gives me great pleasure to welcome this District into our National Organization. I, therefore, declare the _____ (name) District of the Veterans of Foreign Wars of the United States Auxiliary to be duly instituted, and while obeying the rules and regulations of the organization, fully entitled to all its benefits and privileges.

Instituting Officer will then see that the election of District Officers takes place, after which they will install them in office.

If selection of Officers has been made prior to the Institution, the Instituting Officer will see that this selection of Officers is ratified immediately following the institution.

With the new District Officers in their respective chairs, it is now the duty of the Instituting Officer to assist the new District in conducting business and to help them in whatever way is necessary.

After performing above duties to the satisfaction of the District organized, the Instituting Officer shall report same to

the National and Department Secretaries with the names and addresses of the Officers.

Chaplain: Mister/Madam President, what message have you for us at this time?

President: (Stand) I have a message of hope, that should inspire our Brothers and Sisters at this solemn moment and all through life. The message is from our God, who says: I am the Resurrection and the Life; he that believeth in Me, though he were dead, yet shall he live, and whosoever liveth and believeth in Me shall never die.

Chaplain: Mister/Madam Senior Vice-President, what assurance have we of a prolonged stay among the scenes and activities of this earth?

Senior Vice-President: (Stand) For we are strangers before Thee and sojourners as were all our Fathers; our days on earth are as a shadow and there is no abiding.

Chaplain: Mister/Madam Junior Vice-President, have you a message of sympathy for those who sorrow?

Junior Vice-President: *(Stand)* I have. The Book of Life tells us that, like as a father pitieth his children, so the Lord pitieth them that fear Him for He knoweth our frame, He remembereth that we are dust.

Chaplain: Brothers and Sisters, we should be thankful for these inspiring thoughts. Let us learn the lesson of the hour, which is, that we, too, are nearing the end of life's pilgrimage and sooner or later these services may be held in our memory. Let us so live that when our summons comes, we may depart with the testimony of a good conscience in the comfort of a reasonable religion, with perfect charity for all mankind and a holy hope in the favor of God.

Chaplain motions audience to rise.

Let us pray.

Our Father in Heaven, at this time of remembrance, we seek Thee with whom there is no death. We beseech Thee in Thy everlasting charity to look down on these, Thy servants, and give them health, strength and willingness to carry on the work of our beloved organization, which shall be an everlasting memorial to those Brothers and Sisters who have passed on, and in Thy great infinite wisdom and mercy, may we all meet again and to Thy name shall be praise now and forever. Amen.

President: We have the honor to dedicate our Auxiliary Banner and to rededicate ourselves to our National Flag. On this occasion, Brother/Sister _____, who stands beside me, will serve as our Dedicating Officer and direct the ceremony. Brother/Sister _____, you will take command.

Dedicating Officer: Mister/Madam President and Brothers and Sisters of _____ Auxiliary to Post No. _____, I bring you heartiest greetings from the Department of _____ (or from the District they represent.) This is a very special moment in the history of your Auxiliary. We shall place officially the Flag of our Country and your new Auxiliary Banner among the ever growing number of Banners in our organization. Mister Conductor/Madam Conductress, you will present these Colors.

The Conductor/Conductress retires with the Flag Bearer and Banner Bearer. They advance directly to the front of the room, forming a line in front of the President's station, facing the assembly. As the Officers pass the station of the Chaplain, they leave their station and assumes a position at the rear of the Altar.

Dedicating Officer: Brothers and Sisters, we will rededicate ourselves to the Stars and Stripes by saluting our National Flag and repeating the Pledge of Allegiance.

Dedicating Officer: Salute! Military Salute for veterans

Pledge of Allegiance to the Flag.

Dedicating Officer: **Before you is the Flag of our Nation** (*speaker indicates the Flag*). **This Flag is the symbol of all that is sacred to us. Look at it closely for a moment. The Flag of the United States reflects what we are and what we hope to be. The white stripes symbolize purity of purpose in our freedom of thought, expression and worship.**

These are the privileges we guarantee to all who live in our land. They are the rights we defend against all enemies who seek to crush the way of life that you and I cherish. Also, in this Flag, we see the red stripes of courage, for the preservation of American ideals.

There is the blue of tranquility upon which the stars of our states are united to hold intact all that is truly ours, the desire for peace, prosperity and happiness throughout our nation.

We emphasize this interpretation of the Flag of our country which you see carried proudly and guarded so carefully, and we ask that you will always respect this Flag. It is a great symbol of our United States of America.

Dedicating Officer: **Mister Conductor/Madam Conductress, you will assist me.** *Conductor/Conductress takes hold of the upper corner of the Banner, holding it out so that the words thereon may be seen.*

Dedicating Officer: **Brothers and Sisters, this Banner is to be your official Veterans of Foreign Wars Auxiliary emblem, around which you shall build the strength, character and progress of your Auxiliary. Mister/Madam President and Brothers and Sisters, by authority vested in me by the Veterans of Foreign Wars of the United States Auxiliary, I hereby declare this to be the official Banner of Auxiliary to Post No. _____ .**

Dedicating Officer: **The Chaplain will ask the blessing upon the new Flag and Banner. Parade rest.**

All: **Amen.**

The Colors are now posted.

President: **Officers, take your stations.**

HONORING GOLD STAR PARENTS

(The VFW Ritual)

(Note: The presiding Officer shall announce the following to the audience)

Officer: The Veterans of Foreign Wars Ritual provides that when honoring Gold Star parents, we shall refrain from applauding.

There are times when mere words seem far from being adequate. This is such an occasion because we are gathered to recall persons who have made the supreme sacrifice—and to honor their parents. Thus our deeds speak better than words.

The Veterans of Foreign Wars of the United States is founded upon the true comradeship of persons bound by experiences, interests and everlasting patriotism. It is the sort of comradeship that lives through succeeding generations and far back into memory because we know that neither time nor events can separate those who have joined in the common defense of our Flag and country. That is the way we feel about the persons who are absent. We do not consider them gone. In reality, they are very close to us. They are definitely a part of our thinking and actions. We feel that they have molded the future of our nation. They give us strong incentive to carry on our crusade for lasting peace and better purpose in life.

The highest tribute this organization can render those persons—the most profound respect all of us can demonstrate is to apply to our own lives—the strong faith and undaunted courage which were theirs.

To the parents of those comrades, we pledge the sincere friendship of this Post and its Auxiliary.

SERVICES FOR DECEASED MEMBERS

An Auxiliary may offer to hold Memorial Services for a deceased member by contacting family without waiting for a request from the family. Any part of the service that may conflict with any religious belief may be omitted, or changed.

The President may select songs other than those listed in the Ritual.

Auxiliary members, if possible, should attend the funeral or services of deceased members of both the Auxiliary and the Post.

Suggested service at funeral home or at grave:

The Conductor/Conductress shall take charge of the service under the direction of the President.

Members should line up before entering room led by President and Conductor/Conductress followed by Senior Vice-President and Chaplain. President and Conductor/Conductress at head of casket; Senior Vice-President and Chaplain at the foot of the casket with members forming themselves in a manner most appropriate in the funeral home or at the grave as circumstances permit.

Soloist will open service by singing "Abide With Me," followed by prayer.

President: The Chaplain will invoke the divine blessing.

Chaplain: Our Father in Heaven, we seek Thee with whom there is no death. Open every eye to behold Him who changed the night of death into morning. In the depths of our hearts, we would hear the divine word, "I am the Resurrection and the Life; he that believeth in Me, though he were dead, yet shall he live". We beseech Thee to look in mercy on this bereaved family and in Thine own tenderness, console and comfort them. Through Thy great mercy, may we all meet at last in joy before Thy Throne in Heaven and to Thy name shall be praise forever and ever. Amen.

President: We gather here, my Brothers and Sisters, to perform the last rites the living may render the dead. That we are born to die is a solemn truth, the fixed law of being. Honor and station have no power to arrest the hand of the destroyer, and youth and age bow alike before Him. How filled with gloom would be this hour were it not for the blessed promise of God of an eternal home with Him. Another one of our members has been taken from us. We shall miss their words of counsel, their watchful care over the interests of our honored heroes, and their devotion to our Auxiliary. Their life has been full of sacrifices and they have gone on to their reward. In honor and reverence, I now place upon their last resting place, this emblem of loyalty and patriotism as a last tribute to their memory.

The President places emblematic casket flag of the Veterans of Foreign Wars Auxiliary on casket, if services are indoors. If services are held at grave, place emblematic Auxiliary Flag on staff in ground at head of grave. Emblematic flag shall remain on the casket or staff.

Senior Vice-President: For as much as it has pleased God to take out of this world the soul of our departed friend, it shows how beautifully true is the comparison of life to this flower, which opens up in the morning, but in the evening, withers away. It is a symbol of purity and a token of love. I place it here (placing white flower upon casket) in loving remembrance of this departed life.

Chaplain gives short descriptive story-history of the service of deceased to the Auxiliary. Soloist will sing "Lead Kindly Light."

Chaplain: Our Heavenly Father, who art our refuge and strength in our time of trouble, enable us we pray, to put our trust in Thee. May we come boldly unto Thy throne that we may obtain mercy and find grace to help in the time of need. Amen.

The President, Senior Vice-President, Chaplain, Conductor/Conductress and then members proceed reverently to casket, place a white flower and leave funeral home or grave. If minister is to speak, they will go to their seats, Officers first, then members.

President: I have a message of hope that should inspire us at this solemn moment and all through life. The message is from our God who says, "I am the Resurrection and the Life; he that believeth in Me, though he were dead, yet shall he live and whosoever liveth and believeth in Me, shall never die." This wreath, I place in loving tribute (to those who proved that greater love hath no man than to lay down his life for his God, his Country and his Flag) or (to the memory of our departed Brother/Sister.)

Chaplain: Let us pray. Our Father in Heaven, amid these monuments of the dead, we ask Thee with whom there is no death, to open every eye to behold Him who changed the night of death into morning. Through Thy great mercy may we all meet at last in joy before Thy throne in Heaven and to Thy name shall be praise forever and ever. Now, may the blessings of God the Father be with each and every one. Amen.

Chaplain: Comrades of the Post, Brothers and Sisters of the Auxiliary and friends;

We are gathered here at this time to pay tribute to the memory of a departed Brother/Sister. Mister/Madam President, what message and tribute have you to offer at this time?

President: I have a message of hope that should inspire us at this solemn moment and all through life. The message is from our God, who says: “I am the Resurrection and the Life; he that believeth in Me, though he were dead, yet shall he live and whosoever liveth and believeth in Me shall never die.” I place this emblem in loving tribute to the memory of our departed Brother/Sister.

Chaplain: Let us pray. Our Heavenly Father, we ask Thee, with whom there is no death, to open every eye to behold Him who changed the night of death into morning. Through Thy great mercy may we all meet at last in joy before Thy throne in Heaven and to Thy name shall be praise forever and ever. Now may the blessings of God the Father be with each and every one. Amen.

If grave marker is to be placed at time of burial, President should place emblematic flag and marker in accordance with service on page 110 in Ritual.
