2026

Department President, Kathy Voss

HAPPY FALL, Y'ALL!

DID YOU KNOW?
There are **monetary awards for the Department** when we achieve certain membership goals? These awards provide our Department with the operating income needed and supplies award money for our Auxiliaries. This year a primary focus is retaining annual members. **There are several goals ahead, the first being to reach 95% in membership by November 30th. I am asking all annual members to please pay your dues as soon as possible**. **Help the Department of Virginia achieve our required national goals.**

TREASURERS :
You play a very ***important role*** in helping the Department reach our membership goals. If **you have not sent out renewal letters**, **please do so now**. If you have sent dues renewals **follow up with a reminder**. MALTA does have a renewal letter and dues reminder available for the treasurers to use. In addition, on MALTA is an unpaid members list to assist you. **When you receive membership payments and new membership applications, please process them immediately to our Department Treasurer.**

PER SECTION 104 – MEMBERS IN GOOD STANDING – Annual members who have not paid their dues by December 31 are no longer a **member in good standing**. Auxiliary Conductor be sure to pay attention when checking membership cards at your meetings…. ***especially the January 2027 meeting***. Do not forget this applies to President, Secretary and Treasurer, **their dues must be paid no later than 12/31/26.**

ARE YOU CREATIVE OR CRAFTY?
Would you like to donate hand crafted items? Would any auxiliaries'/districts/ members like to donate a silent auction item or basket? These items will be used for the ways and means table, which are then sold at the mid-winter conference in January and Department Convention in June. Proceeds are used to operate the Department and support monetary program awards to auxiliaries. If you are interested, please reach out to Danielle Biggs. Ways and Means chairman at (540) 455-0808 or drbvfwaux@gmail.com. Your support would be greatly appreciated.

Always remember if your auxiliary needs assistance in any way, please reach out to your District President or the Department Line Officers. We are here to serve you!

I would like to thank all of our wonderful members who make our growth not just possible, but worthwhile! I can't wait to meet all the new friends that are joining "Team Virginia".

BUDDY POPPY

Dear Auxiliary Family,

November brings one of the most meaningful observances of our year as we prepare to honor all who have served and all who continue to serve on Veterans Day. This month provides a powerful opportunity for every Auxiliary in the Department of Virginia to elevate the Buddy® Poppy Program and strengthen awareness throughout our communities. National Ambassador Donna Marie King reminds us of our shared mission, stating that “it is really my goal this year to get out and spread the word about ‘Buddy’® Poppy.” Her message encourages us to carry that purpose forward with renewed energy as we engage the public during this important time of recognition.

Veterans Day events, school programs, community ceremonies, and local gatherings offer ideal settings to distribute Buddy® Poppies and educate others about their significance. When we share the story behind the poppy, we help our communities understand why this small red flower remains a symbol of gratitude and remembrance. As Donna Marie King emphasizes, “When you have a ‘Buddy’® Poppy distribution you are honoring the dead by helping the living.” Through these efforts, we not only honor service but also generate vital support for our veteran assistance programs across the Commonwealth.

To ensure your Auxiliary is well prepared, please remember to purchase official Buddy® Poppies and educational materials directly from the VFW Store. Both the traditional artificial Buddy® Poppy and the tin tab version are available, along with trifolds, bookmarks, posters, and other resources that enhance your outreach. These items help create engaging displays, support accurate education, and encourage community participation and donations. While Buddy® Poppy promotion is important year-round, November offers a uniquely meaningful moment to amplify our message and ensure our veterans feel the appreciation of a grateful Virginia community.

Thank you for your continued dedication to this cherished tradition and for all you do to support our veterans and their families throughout the year.

Yours in Service,
Johanna Hebert

HISTORIAN / MEDIA RELATIONS

What is a Facebook Reel?

Facebook Reels are a way to create short, up to 90 seconds in length, entertaining videos. Reels allow you to add your own original audio, captions, stickers, backgrounds, and use a range of filters. Facebook Reels can be created by uploading photos and videos from your phone's photo gallery or by recording new video clips during the creation process.

To create a Facebook Reel on your phone:

1. Open the Facebook app on your phone. Note: Make sure you are using the latest version.
2. From your feed, tap the + in the top right and select "Reel".
3. Add a new video (tap the camera icon), add an existing video or multiple photos by clicking "Select multiple". Alternately, you can click on "Templates" and choose from an existing template.
4. Add audio, text, effects, or stickers.
5. Tap "Next" when you are finished.
6. Write a description for your reel.
7. Choose an audience for your reel.
8. Opt to share the reel on Instagram.
9. Click the folder icon at the bottom to "download" the Reel to your phone.
10. Tap "Share now" to publish your reel.

Here are some tips for creating Facebook Reels:

- Recommended format: .mp4
- Recommended resolution: 1080p
- Recommended video format: Vertical videos are easier to create than horizontal videos.
- Video Quality: Avoid low-quality videos, like those that are blurry or recycled from other apps.
- Audio: Use music from the Facebook music library or create or find your own original audio. You can also add a voiceover to personalize your content.
- Length: Reels can be between 3 seconds and 90 seconds long.
- Engagement: Use creative tools like text, filters, or camera effects, stickers, and drawings.

Facebook Reels can be a fun way to share information or highlight events in your Auxiliary. Be sure to send in a report if you do. You can also tag me or share your reel with me on Facebook (I am on Facebook as Pamela Blake Kotz). I look forward to seeing what you all create!

VFW NATIONAL HOME

This year at the National Convention it was announced that **2 new homes** were going to be built sponsored by the Dept of FL and the VFW Auxiliary National Council of Administration. You might wonder where the money came from for the NCOA to sponsor a home? It is from the money that we the auxiliaries send to national each year at 10 cents a member, along with other gifts, donations and investments. Groundbreaking has already happened and things are moving along. As of July, 39 of the 43 homes are filled with families, which includes 107 children. Our challenge is to fill the homes and find funding to build more homes and help with special projects.

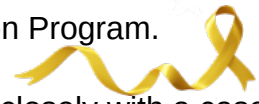

One such special project was last year's Commander and President's project was to **stock the Welcome Center Convenience Store**. Over $134,000 was raised to transform an empty space into a fully stocked convenience store. The store is open to all campus families, after hours, to avoid having to run into town creating convenience for busy families and a layer of support for those working towards a better tomorrow.

National Guard Yellow Ribbon Program – provides valuable resources to help active-duty National Guard and Reserve members transition before, during and after deployment. National Home is an available resource for them and challenges faced with deployment. See website Yellow Ribbon Reintegration Program.

The National Home has a Red/White/Blue Program – This involves residents working closely with a case manager (CM). **RED –** reduce distress and eliminate barrier, establish 3 smart goals, families discuss all financial decisions with CM, veterans become established with local Veteran Service Organizations. **WHITE –** focus on sustainment, relationships and overcoming limiting beliefs, establish 3 smart goals, begin post-program housing decisions, financial decisions outside of goals discussed with CM. **BLUE –** prepare for transition by establishing community, establish 3 smart goals, establish transition plan, option to apply for transitional grants. The BLUE phase is the transition phase, and families have up to 12 months to transition from the National Home to their new home. If you know of a family that meets these criteria send them to the website at www.vfwnationalhome.org.

Now for the fun stuff – National is awarding an Auxiliary in each of the 10 program divisions for the most creative activity and or event that demonstrates what and where the VFW National Home is and who is eligible for the services provided by the National Home. I want a Department of VA auxiliary to win this award. You must describe the event that demonstrates what and where the National Home is and who is eligible for the services provided by the home (ie. Flyers, brochures, social media posts, newsletters, handouts, photos etc). I would like you to prepare this display and bring it to winter council. There will be judges and the winning entry will be sent to National Headquarters. There will also be monetary prizes for the top 3 candidates. Let me see your creative side while promoting the National Home. I have brochures if you need some.

VETERANS & FAMILY SUPPORT

Happy Fall Sisters and Brothers,
The VFW Auxiliary's Veterans & Family Support Program's purpose is to educate VFW and VFW Auxiliary members, veterans, and communities about the important topic of mental health and wellness and offer proven tools to intervene on behalf of veterans in crisis. It is when we create dedicated time to raise awareness, share resources and promote help for our service members and their families who may be struggling.

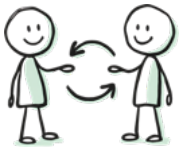

Veterans Crisis Line
DIAL 988 then PRESS 1

Remember to promote **988, Dial 1, the Suicide and Crisis Hotline.** They provide free, confidential support **24/7**. There is also a **Crisis Text Line. Text HOME to 741741** to connect with a crisis counselor.
Remember to share information: Sharing resources can remind someone that they are not alone and there is help. Tell stories: Sharing your story can help another. Listen: Sharing your time to listen can make people think they can make it one more day and can make someone feel valued when they feel like no one cares. PTSD and mental health are our focus this year. There are several agencies that provide great ideas. They include the National Alliance on Mental Illness, the World Health Organization and Mental Health America to name a few.

Did you know wearing **purple** honors those lost to suicide as well as the grief and remembrance of those left behind. **Teal** represents prevention, healing, support, and the significance of mental health awareness. Let's see purple and teal all over social media as you promote these resources and hold events to share them. Honor those who are left behind due to the loss of their loved one while serving our country, showing them they are not alone in their grief, remember the call to action from our National Commander-in-Chief Corey L. Geisler and our National President Donna K. Mills to raise funds for the Defense POW/MIA Accounting Agency (DPAA) program whose funding has been cut through their joint special project: Operation Bring them Home. The DPAA's efforts are critical in recovering our Missing in Action to help bring closure to grieving families. Silence here, too, matters as there is a belief that we die twice: once when we die and again when our name is said for the last time. Don't be silent. Say their name. Help the DPAA find the answers our veterans' families deserve.

Remember to **SWAP (Sharing Wonderful Auxiliary Projects)** what your post and auxiliary have done for our Veterans and their families. We can all use some "fresh" ideas.
Supporting veterans and their families is a year-round sport for the VFW Auxiliary. In fact, the word "Auxiliary" usually refers to something that provides extra help, support, or backup to something else.

YOUTH Activities

Here are some important dates to where you can get the youth in your community involved.

- November 3rd is National Sandwich Day!!!!
- The US Marines's Birthday is November 10th, will be 251 years old.
- November 11th is Veterans Day,
- November 26th is Thanksgiving

Veterans Day is just around the corner. Get your youth to write cards thanking a veteran for their service and taking them to a nursing home or the VA Hospital if one is close by or a hospital. Even giving a card to a Veteran that is in your post or Auxiliary, shows they are appreciated a lot.

Continue checking with our youth and teachers with what they need for school supplies. Can your Auxiliary, help in any way? Ever thought of adopting a classroom? Obviously, you will want to talk with the teacher to determine if she/he would like that assistance, however, I doubt you will be turned down.

Teachers truly appreciate any assistance with supplies which would help their students learn during the school year. This can be an ongoing project. Adopting a classroom could also help you in getting our **Patriotism Through Literacy** started, which could lead to other teachers wanting assistance in their classrooms. The younger elementary youth have reading time, and you could volunteer by reading to them a book on patriotism and then donating that book to the teacher's classroom library or the school library. Remember if you can volunteer to read in a classroom or library the younger kids love it.
