

It is our pleasure to submit the name of Kelli Levitt as Candidate for the Department of Virginia Chaplain for the 2022-2023 year.

A life member of Auxiliary 1503, in Dale City, her eligibility comes from her husband Tom (Post 1503 Commander), a 22-year Army Veteran. Their two adult sons, Tommy and Justin are also members of Auxiliary 1503.

Currently, she is serving as Department Conductress, serving her third consecutive year as Auxiliary 1503 President.

She has held several Chairman positions at the Auxiliary and District level. In addition to serving as a past Registration Chairman for Department Convention and as a member of the Suspension Committee for several struggling Auxiliaries.

As a member of the Military Order of the Cootie Auxiliary - Pup Tent 14, she served as Jr. Vice, Sr. Vice and President, as well as Hospital Chairman for two years.

As an Auxiliary member and a Veteran's spouse, it is extremely rewarding to Kelli to belong to this organization – to see the positive impact that we have while serving Veterans and our communities.

We believe that she is ready and well suited for this next step and she looks forward to the rewards and challenges that come with serving in a leadership position.

Members of VFW Auxiliary 1503
