

Greetings Sisters and Brothers of the Department of Virginia

VFW Auxiliary 392 and District 2 Members asks for your support of our candidate Jennifer Winn for the office of Department Conductress at June 2022 Department Convention. Jennifer is ready for a leadership role on the next level. She is liked and respected by our members because they know that she is responsible, ethical, and professional. She is interested in how the pieces of our organization fit together and is always asking questions to make sure we do things the best way we can.

She knows leadership is not easy, but she knows she can learn from our members and those that have led this our organization before. She seeks out counsel when needed and takes great care in the decisions she makes when they affect others. She enjoys collaborating with others and is excited to forge stronger relationships with those in the VFW Auxiliary and our comrades in the VFW.

Jennifer sees the potential in everyone and gets satisfaction out of encouraging people to step into their power. She wants our members to be enabled and empowered to do their part in accomplishing their goals individually and as an organization as a whole.

She is a communicator; she does not just give directions. She shares all information our members need to carry out their responsibilities successfully and skillfully. She recognizes that for our members to perform most effectively, they need to understand the big picture. She respects others and allows everyone to contribute equally, she wants us to bring what we have to the table and recognize the important role we all play as a part of this team.

Jennifer is a member of General MacArthur Memorial Auxiliary 392 and MOCA #9. She has held many positions in the Auxiliary, District and Department. She is Past MOCA Supreme President.

She joined under the eligibility of her Husband Mark, who served in the US Navy and served in Libya, Desert Storm, Desert Shield, Operation Enduring Freedom, he retired after 20 yrs. While her husband was on active-duty Jennifer served as Ombudsmen for many Commands. She has one son Mark II, with his wife Katie has given her two grandchildren who she is there zoom teacher during this difficult time. Both Mark II & Katie “Under eligibility their fathers” are life Auxiliary members.

If you welcome leadership with a team approach, an eye toward respect, education, and a passion for our veterans, please join District 2 and Auxiliary 392 in voting for Jennifer Winn as Conductress at the Department Convention in June 2022, Portsmouth, Virginia

Respectfully

Sandy Dunbar  
District 2 President

Dinah Devens-Doyle  
Auxiliary 392 President
