Veterans of Foreign Wars Auxiliary
Department of Virginia - District 7

Dear Auxiliary Brothers and Sisters,

The VFW Auxiliary of Virginia-District 7 is proud to present and support Susan Dinon as a candidate for the office of Department Conductress for 2023-2024.

Susan is a Life Member of Comer-Jones VFW Auxiliary #621 in Luray, Virginia. Susan joined under the eligibility of her father, Sgt. Marvin F. “Moe” Shenk, Jr. who served in the U. S. Army during the Korean Conflict. Her mother Nancy, husband Vic, daughter Lisa, and son Jeb are all members of Auxiliary #621.

Susan is currently serving her third consecutive year as Auxiliary President, as well as District 7 President and the Department’s Membership Chairman. She has also served as the Department’s Membership and Americanism Chairman as well as multiple program Chairmanships of Auxiliary #621.

As an Auxiliary member and a Veteran’s daughter, it is extremely rewarding to Susan to belong to this great organization, and, to help our Veterans and community’s needs in every way she can.

The VFW Auxiliary members of District 7 believe Susan is ready and well-suited for this next step in the Department of Virginia. We support her as she goes forward on her next journey.

We hope that you will support Susan Dinon in her campaign for the position of Department of Virginia Conductress. Please contact your delegates and let him/her know that you support Susan Dinon as Department Conductress.

In friendship and loyalty,
Members of Auxiliary 621 and District 7
