

The members of Auxiliary 392 would like to place the name of Fred Jennings for Department Chaplain at the 2019 Department Convention.

In September 2015, he joined Auxiliary VFW Post 392, under the eligibility of his father, who was a veteran of the Vietnam War. Fred is also a veteran and served 6 years in the Navy.

Since he has joined Fred has been Department Patriotic Instructor and Department Flag Bearer.

2017-2018 Fred was President Linda Bond's Special Project Chairman and the Department Guard.

2018-2019 Fred was the Department Conductor and the Hospital Chairman. He was also on the Audit Committee and the Standing Rules Committee.

Fred is Sr. Vice President at Auxiliary 392. He is the Jr. Vice President of District 2. And he is a member of MOCA #9.

Even before joining, the Auxiliary Fred helped for years at Ladies Auxiliary 392 Cancer Dance. It does not matter what Post or Auxiliary function he was at, we could count on Fred to jump in and assist where help was needed. Fred likes to get things done but follows protocol.

Fred has great respect for all veterans, pride in our organization and integrity to match.

Fred has the support of his partner, Auxiliary 392, and the members of District 2. We hope that you will support Fred in his campaign for Department of Virginia Chaplain.

Best Regards,

Robert DeChamplain, President
General MacArthur Memorial Auxiliary 392
