

It is with great pleasure that I submit the name of Vicki Butler as a candidate for the position of Conductress for the Department of Virginia.

Vicki joined as a Life Member of Auxiliary 4809 in 2011. She joined under the eligibility of her father, a Vietnam Veteran for the US Marine Corps. Her father continued serving as a Supervisor at the VA Hospital in Albany, NY and Vicki grew up visiting the hospital with him and going to their local VFW events, which he was a life member of. After he passed away, she felt that joining the Auxiliary was the perfect way to honor his life and memory.

At her first meeting she was nominated and voted in as Auxiliary Guard. Since then she has held a range of positions in her Auxiliary, including Auxiliary President in 2015-2016. She is currently her Auxiliary Secretary. Vicki has also gone thru the chairs at District 2 and was District President in 2016-2017.

At the Department level she has been an Americanism Chairman, Soloist, Assistant Soloist and Historian. She is also a life member of the VFW National Home and a member of the MOCA Tidewater Crabs.

Vicki and her husband, Garvey, were married in between his back to back deployments in 2013. Garvey has recently transitioned from Active Duty in the US Navy to the reserves and is currently an IT contractor for the Department of Defense. He is a lifetime member of VFW Post 4809.

Outside of the VFW, Vicki has a BA in Political Science and Sociology from the University at Buffalo as well as being a certified Project Management Professional (PMP) and Greenbelt in Lean Six Sigma. Currently, she is a Project Manager at GEICO in the property division and pursuing her MBA at James Madison University.

Vicki is very excited and honored for the opportunity to serve and represent the Auxiliary members of Virginia.
